Financial Aid:

Available K-12th grades only

Are you applying for financial aid? No Yes *The Financial Aid Committee at Carlisle School uses a third party, School and Student Service for Financial Aid (SSS), for processing the financial aid application. Families seeking aid should make it known at the start of the admissions process. Prospective students must complete the Application for Admission before Carlisle will consider their requests for financial aid. Admission decisions are not affected by financial aid, and an award is made only after a student has been accepted. Financial awards are based on the family's financial need, not on extraordinary academic ability or athletic ability.*

Application Process:

Schedule a tour of our school. Whether through an open house event or scheduled tour, this important visit allows parents and students to see the campus, attend classes, and meet other students and faculty.

Application. Deadline for application is June 1. These applications will be given first consideration. After June 1, completed applications are considered on a rolling basis, per space availability. Each application must be submitted along with a non-refundable \$100 application fee.

Applicant Visit. Applicants are required to visit for a half or full day of classes in their current grade. An informal assessment as well as a written assessment will be performed while visiting. Formal assessment is required for Kindergarten & Grade 1 applicants. Please make a separate appointment with the Admissions office for this testing.

Evaluations. Preschool and Kindergarten applicants are required to submit a Parent Observation Form and Teacher Recommendation (if applicable). Carlisle School requires two General Evaluations for students applying to grades 1 through 12. These may come from a teacher, guidance counselor or principal/head of school. In addition to the General Evaluation forms, students applying to grades 6 through 12 must submit Math and English Evaluation forms, which should come directly from the student's current math and English teachers, and an Applicant Questionnaire to be filled out by the student. To ensure confidentiality of all recommendations, we encourage the applicant or parent to sign the confidentiality agreement at the top of the evaluations and have the writer submit directly to the school in a sealed envelope.

School Records. Please complete the Records Release Form and give it to your student's current school. The school records must include all standardized test results and any other educational or psychological testing. In addition, the applicant's birth certificate, a current Virginia School Physical Exam and Immunization record must accompany the application. We require copies, not the originals for our records.

Application Decision. All applications, with evaluations, transcripts, and on-site assessments, will be cumulated and brought before the Admissions Committee, which meets periodically throughout the course of the year. Admission responses include acceptance (unconditional), acceptance (waiting pool), or denied at this time.
