

New Friends from Italy

FEATURED PHOTOS

In celebration of Valentine's Day, our second-grade students encouraged everyone to be the "I" in KIND. Share the love and spread kindness like confetti! #CarlisleCares

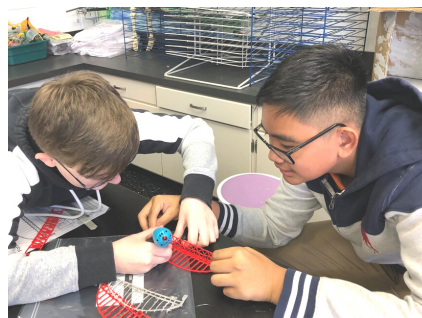

Congratulations to our third-grade students. They did an outstanding job performing in the winter play, *Please Bring on the Snow*, directed by Anne Norman Young.

Our 2020 auction was a huge success and raised more than \$96,000 to support Carlisle School and \$35,000+ of that amount will directly support Carlisle's growing STEAM program!

Several of our faculty members attended a Children's Engineering conference and brought back lots of exciting new STEAM education ideas and resources for their classrooms.

Middle School students in STEAM class used 3D Doodler Pens to design bridge structures, 5th grade students constructed models of DNA, and 3rd grade students designed prototype bicycles.

GLOBAL EXPERIENCES

In early February, our Upper School students hosted 11 visiting students from Italy for a week. In addition to attending classes, the group explored the arts and culture of our community as well.

To continue the global experience, the 11 host students from Carlisle will travel to Italy later in the spring to spend a week in their new friend's country.

MADRIGAL DINNER

The Carlisle School Choral Department is proud to announce the return of the Madrigal Dinner on February 21, at 7:00 p.m., at Chatmoss Country Club. The evening will transport the audience back to an old Renaissance castle where they will be entertained by singing, acting, and festivities while they eat a delicious feast! Purchase your ticket for the event at <https://payit.nelnet.net/form/Rd8FSE0y>

STUDENT HIGHLIGHTS

Carlisle's three robotics teams held a kickoff event for the season and hosted guests from Streamworks in Kingsport, Tennessee, to learn more about the upcoming regional competition.

<--Team Dasyatis (grades 8-12)

Team Aqua-Pups (grades 5-7)

Team Roboguppies (grades 3-4)

ALUMNI HIGHLIGHTS

This month's alumni highlight is a guest post written by **Katie Ryan Snyder '14**. In it, she shares her Carlisle story and advice for Carlisle's class of 2020 seniors.

Read it at
carliseschool.org/snyder

Cindy Edgerton '79 and her husband, Steve, attended the Carlisle auction. Cindy owns and operates the new B&B One Starling in Martinsville.

Manisha P. Patel '04, was honored as one of North Carolina's top lawyers for family law in 2020, earning the Legal Elite distinction as published by Business North Carolina magazine. Also, Patel was named a Super Lawyers Rising Stars for 2020.
