Summer Reading and Math Program

Over the summer, each child in rising first through fifth grades will read a required amount of minutes, keep a reading log, and complete two book reports. You will find a copy of the Lower School Recommended Reading List posted on the school website [Carlisle Summer Reading](#) to assist you with book selections. Successful completion of the summer reading is part of the Reading Award requirement.

Rising kindergarten students will be required to participate in a guided reading program which includes five books at the emergent level of reading. Completion of this assignment by kindergarten students earns a Certificate of Accomplishment.

The math program for rising first grade students will consist of a **GoMath** workbook. The math program for rising second through fifth grade students will consist of a **Math Minutes** workbook. This program is to assist students with maintaining their memory of math facts and to afford them practice in basic math skills during the summer months. Please purchase the **Math Minutes** workbook corresponding to your child's most recently completed grade.

Students are also required to complete IXL skills during the summer months.

Please refer to the detailed information regarding the summer assignment which will be distributed the week of May 25. **Math Minutes**, **Go Math**, and grade level book assignments can be purchased online.

5th Grade Favorite Lower School Memories

Caselyn...My favorite memory from lower school is sneaking into Harper's mom's office in kindergarten to get suckers. I was so happy.

Abdull...My favorite memory was being the Vice President of the SCA.

Avi...My favorite memory from lower school is when Mrs. Thompson would say, "Go where you belong and never come back." We always came back the next day and she would say, "I knew you would come back."

Charlotte...My favorite memory from lower school was second grade Funday. It had rained the day before so the blow ups were kind of wet so it felt like we were at a water park.

Parker... My favorite memory from lower school was Funday because it was always a lot of fun! We had bounce houses, popcorn, and my favorite was the snowcones.

Hunter...My favorite memory from lower school is when my friend Alex was at Carlisle.

Emmie...My favorite memory from lower school was in second grade when I laughed so hard at lunch I spit out my juice.

Eleanor...My favorite memory from lower school was the first day of fifth grade because I met my homeroom teacher.

Anderson...My favorite memory from lower school is being able to play games in kindergarten.

Gabe...My favorite memory from lower school has been meeting all my classmates and getting to know them because friends are important.

Luke J...My favorite memory from lower school was when we won the spirit stick during homecoming week in fifth grade.

Lucas J...My favorite memory was when I was selected to be the Grinch in the fifth grade play.

Jaida...My favorite memory from lower school was the mentoring program.

Laci...My favorite memory from lower school was having Mrs. Turner for a teacher. She was always so much fun.

Layton...My favorite memory from lower school was hearing Mrs. Thompson say, "Go where you belong and don't come back." It always made me smile because it was funny.

Laurynn...My favorite memory from lower school was when we won the door decoration during homecoming and got the spirit stick.

Patrick...My favorite memory from lower school was being able to go to the playground to play.

Luke P...My favorite memory from lower school is when we would play football in the old gym.
